

THE CHARTERED INSTITUTE OF BANKERS, GHANA

FORMAT FOR EXAMINER'S REPORT

1. Title of Paper and Name of the Diet : **RISK MANAGEMENT OCT 2025**

2. Introduction: General Observations

There were only seven (7) candidates for this diet and only two (2) had pass mark.

The questions were quite straight forward, no ambiguity. There was adequate evidence that candidates have not made serious effort to understand key concepts.

If only candidates had prepared well for this diet, the pass rate would have been higher.

4. Specific Comments on each question

 - III. Problems identified about candidates' approach to the questions
- ALL eight questions were quite straight forward.

Unfortunately, this is the last Risk Management examination diet under the Old Syllabus.

Candidates who failed have to gear themselves up to write the ERM (New Syllabus diet) at another time.
